

go taste albany

Excite the senses ...

discover award winning wines, locally brewed beer, locally distilled spirits, organic farmhouse cheese, ocean fresh seafood, luscious strawberries, sandalwood oil and other produce ... something for every tastebud.

All this on an easy to follow circular trail

through the stunning countryside on Albany's doorstep! Treat yourself and meet the producers on this ultimate farmgate experience.

It's easy to go taste albany.

Call Grape Southern Tours, the local expert, or jump in your car (pick a skipper) and follow the numbers. It's as easy as 1, 2, 3. The entire route is only 75km, but allow a full day to taste the lot, half a day to visit 4 or 5 producers, or why not spend two days exploring **go taste albany** 'slow food' style.
